

The Egg in Albany, New York is accepting applications for the position of Head Technician. The Egg is a two venue performing arts center located on the New York State Capitol complex, The Empire State Plaza. The Egg houses the Kitty Carlisle Hart Theatre, a 982 cap. proscenium theatre and the Lewis A. Swyer theatre, a 450 seat studio theatre. The Egg presents programming from touring concerts, dance, comedy, corporate/government events, and community events.

The head technician will oversee all operations for a single production department (Audio, Lighting, or Stage/Video). Additionally, they will be cross trained in other departments including building operations.

Responsibilities and Duties

- Coordinate and execute all necessary production elements from load in to load out for all productions at The Egg.
- Depending on production needs fill the role of designer, FOH engineer, monitor engineer, stage manager, system tech, head electrician, head carpenter, video/projector tech, backline tech, and other duties as productions warrant.
- Maintain inventory of assigned department.
- Provide routine maintenance of The Egg's equipment and venues.
- Participate in capital improvement projects.
- Supervise and train per-diem labor.
- Provide support and assistance to other production departments (These positions cross job lines)
- Advance production elements as needed with clients and road crews
- Participate in pre-production walkthroughs and meetings as needed

Schedule

Varies week to week depending on The Egg's production schedule. Employee will be required to work when performing arts and other activities are scheduled including weekends and evenings.

Compensation

- \$32 an hour, guaranteed 40 hours, overtime after 40 hours per week
- NYS Retirement, health, dental
- Vacation, Personal, and sick pay

To apply please send a cover letter and resume to Kyle Van Sandt, kylev@theegg.org.
